INSTITUTIONAL PLAN 2023-2024

Chairman & Executive for overall activities - Dr. K. Manohar, Principal

In light of the rapidly expanding fields of study and the opportunities created by emerging areas of specialization, our institution has continually adapted to meet the evolving needs of our students. This commitment has been integral in enhancing their skill sets and preparing them for the demands of the modern workforce. Through thoughtful implementation of relevant policies, we have made steady progress in this direction. However, with the increasing number of higher education institutions, there is a growing concern that standards may be diluted. To ensure that we remain competitive and continue to offer high-quality education, it is essential for our institution to regularly assess its position and make necessary improvements. To this end, our college is seeking financial support from RUSA to enhance and develop our infrastructure. These improvements will be pivotal in fostering an environment that supports academic excellence, encourages innovation, and ensures the successful realization of our educational goals. We believe that this investment will not only strengthen our institution but also contribute to the overall advancement of higher education in our region.

.Academic and non-academic reforms being put into practice A wide range of stakeholders, including the business community, parents, instructors, alumni, students, and support staff, contributed to our DPR. We suggest making sure that the DPR is diligently carried out, that newly predicted budgets are carried out, and that newly suggested courses are successfully introduced. A senior-student and senior-level official hierarchy would be established to guarantee the correct execution of institutional reforms. An executive board made

up of college faculty will be established at the senior level to create policies and oversee the application of IRs. For academic reforms, the suggested changes will be applied at the departmental level; for non-academic reforms, they will be applied at the administrative level. The subcommittees established under RUSA will oversee its execution and offer further budgetary support. The sub-committees formed under RUSA will further provide budgetary support and monitor its implementation. Feedback from stakeholders will be taken at all subsequent stages to assess the progression of the scheme. Stakeholder feedback will be collected at every level to evaluate the scheme's advancement and guarantee its correct implementation.

Staff Meeting

41

20/10/2023.

The Principal, Vice Principal and Staff members met in the Principal's Chamber on 20/10/2023 and discussed the following.

Agenda

- * Requisition letters by Contingent Staff to enhance salary.
- * Enhancement of Contingent Staff Salaries.

Discussion And Resolution.

After a detailed discussion, the following are resolved.

Since 2015 The Contingent Staff i.e the Sweeper and Scavenger were paid Rs 4500/- Night and Day watchmen Rs 5000 and the Computer operators Rs 7000/-. Though the Cost of living and Prices increased and Continuous requests by the Contingent Staff, the College had no Sufficient funds to enhance their Salaries. They worked and working for the same salaries for 8 years. Even, at the time of NAAC 3rd cycle Accreditation, the Staff worked for the same salaries and they did well and the College was awarded 'A' grade. The Computer operators have to do Autonomous work, esp/ Internship and Scholarship and examination work and the regular ^{Non-teaching} Staff have no Computer Knowledge to do all the work. The Computer operator requested to increase the salary to 15,000/- and the Sweepers, Scavenger and the Night/Day watchman to 10,000/-. But the College has no such financial source to increase and after a discussion the following enhancement will be done from October, 2023 onwards.

S.No Name of the Staff Enhanced Salary from 01/10/2023.

1. Smt. V. Malathi - Com operator Rs 10,000/-
2. M. Girish Rajulu - Day watchman Rs 6,500/-
3. S. Jayakumar - Night watchman Rs 6,500/-
4. R. Santhi - Sweeper Rs. 6000/-
5. A. Vasantha - Scavenger Rs. 6000/-

This initiative aimed to empower and educate the community about the importance of gender equality and the critical role of education in the lives of girls.

The program featured an inspiring session led by experts from the Women Development and Child Care Department. Key topics included:

- **The Importance of Educating Girls:** Highlighting education as a powerful tool for societal progress.
- **Health and Well-being:** Discussion on addressing health challenges faced by young girls and women.
- **Legal Rights and Support:** Awareness of laws safeguarding the rights and dignity of women and girls.

The event also included interactive activities, such as:

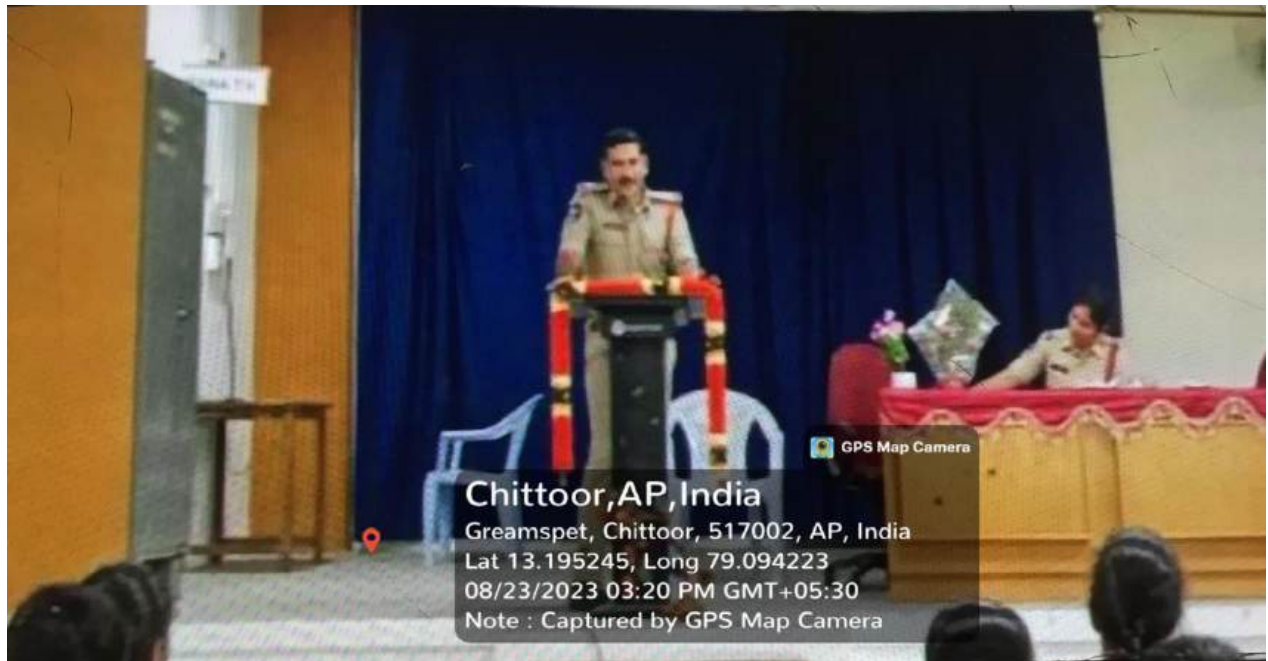

- A **poster-making competition** to creatively express the theme.
- A **pledge ceremony**, where students and staff committed to promoting gender equality.

Impact:

- Over [insert number] participants, including students, staff, and community members, actively engaged in the program.
- Enhanced understanding of the need to support and uplift the girl child.
- Strengthened collaboration between the institution and the Government of Andhra Pradesh in driving social awareness.

This event underscored our commitment to contributing to the nation's flagship programs for holistic societal development

Report on WEC's Event on Women's Protection Against Cyber Crime

Report on WEC's Event on Women's Protection Against Cyber Crime

The **Women Empowerment Cell (WEC)** of our institution successfully organized an awareness session on "**Women's Protection Against Cyber Crime**" on [insert date]. The event aimed to educate women about the various forms of cyber crimes, preventive measures, and legal recourse to ensure their safety in the digital world.

Highlights of the Event

1. **Objective:**

The session focused on creating awareness about online threats, promoting safe internet practices, and empowering women to handle cyber-related challenges effectively.

2. **Key Speaker(s):**

- **S.I. Sri Nithyababu** a cybersecurity expert, delivered an insightful lecture on the prevalent cyber crimes targeting women.
- **Dr. G. Usha Rani**, WEC Coordinator, emphasized the importance of digital literacy and encouraged participants to report incidents without hesitation.

3. **Topics Covered:**

- Types of cyber crimes: cyberstalking, online harassment, identity theft, and revenge pornography.
- Steps to secure online accounts, including strong passwords and privacy settings.
- Legal provisions under the Information Technology Act, 2000, and the process of filing complaints on the **National Cyber Crime Reporting Portal** (cybercrime.gov.in).
- The role of women in promoting a safer online community by reporting malicious activities.

4. **Interactive Session:**

Participants actively engaged in a Q&A session, sharing their experiences and seeking advice on dealing with online threats.

5. **Outcomes:**

- Enhanced awareness of the risks associated with cyber crimes and practical steps to mitigate them.
- Confidence among participants to seek legal help in case of cyber victimization.
- Strengthened the role of WEC as a platform for women's empowerment and protection.

Conclusion

The event received positive feedback from participants, highlighting the need for continuous efforts in combating cyber crimes. The WEC remains committed to organizing similar programs to ensure women feel safe and empowered in all spheres of life, including the digital realm.

Acknowledgment

We extend our gratitude to the Principal, **Dr. K. Manohar**, and all faculty members for their support, and to the students for their enthusiastic participation.
