DEPARTMENT OF CHEMISTRY

**ACTIVITY REPORT ON
AWARENESS ON HARDNESS OF WATER**

10-07-2018

Smt. NPS Govt. College for Women, Chittoor.

DEPARTMENT OF CHEMISTRY

Extension Programme

Name of the activity : Awareness On Hardness Of Water

Date : 10/07/2018

Venue : Ootacheruvu, Greampet, Chittoor

No. Of students participated : 25

OBJECTIVES:

- To Aware the Students to know the importance of Hardness of Water to discuss Some of Applications are involve Hardness of Water in our daily life.
- To inspire the people to become Hardness of Water
- To Aware students, how to remove Hardness of Water using different methods

ACTIVITY REPORT

- To Conduct a program on awareness on significance of to Hardness of Water create environmental consciousness among the students
- They solved challenging essay writing and quizz, performed using significant concept on Hardness of Water understand the different types of hardness of water like temperory hardness, permanent hardness

- Students delivered speeches Highlighting the importance of celebrating this day and also talked about the significant contribution made by the Chemists.

OUTCOMES

- Students improve the how to protect hardness of water
- Students get Knowledge using simple Chemistry in daily life.
- Students able to know the purification of water in simple way.

**ACTIVITY REPORT ON SCIENCE DAY
28-02-2022**

***POSTER PRESENTATION (Role
of Chemists During Covid Pandemic)***

Smt. NPS Govt. College for Women, Chittoor.
DEPARTMENT OF CHEMISTRY
Extension Programme

Name of the activity : **National Science Day Celebrations**
Date : 28/02/2022
Venue : Smt. NPS Govt. College for Women, Chittoor.
Topic : Poster presentation on Role of chemists in covid
pandemics
No. Of students participated : 36

Objective:

- To Aware the Students to know the importance of Science Day To discuss Some of Applications of are involve Science Day d in our real life.
- To inspire the people to become Science Day

Brief report on Activity:

To mark the discovery of the Raman Effect By Sir C. V.Raman and importance of science in daily life and during covid pandemic, in this connection Chemistry dept. was organized Poster presentation on Role of chemists in covid pandemics. Students delivered speeches Highlighting the importance of celebrating this day and also talked about the significant contribution made by the Chemists During pandemic and for drug and vaccine invention.

OUTCOMES:

- Students improve the easy techniques to solve the problems.
- Students get Knowledge using simple Chemistry in daily life.
- Students able to know the real style of chemistry in simple way.
