OBJECTIVES:

To Aware the Sacrifices of freedom fighters at the time of freedom movement
To discuss the Qualities of freedom fighters which we can follow
To inspire the people to know morals from the life stories of freedom fighters

Activity report

India got independence 75 years ago. Still some people in the society had no awareness on our freedom fighters sacrifices. This is very important to know about their qualities life styles and sacrifices because these are Indian heritage values which praise the Indian culture in the world. People will inspire the Morals and ethics followed by our national leaders.

In day today life we have no time to remember all these things. Hence as History students, They have the responsibility to aware the people in the society about the greatness of freedom fighters. Students also discuss with the people and interact with them, This improves the communication skills in the students.

This type of community extension activities will definitely helpful to the students as well as the people in the society
