PRINCIPAL MESSAGE

I am delighted to note that our college has excelled in academics, research, and co-curricular activities this month. Faculty achievements in seminars, publications, and FDPs reflect our commitment to quality education. Our students have brought pride through national and international representations. I congratulate all and encourage continued dedication towards excellence and institutional growth.

1. STAFF CHIEVEMENTS (Awards and achievements)

Dr. T. Vinila, Lecturer in Commerce, attended the Board of Studies (BoS) meeting as an Academic Council member nominated by SVU for the subject of Management. She actively participated in the discussions regarding curriculum development and academic reforms. Valuable suggestions were provided to enhance the quality and relevance of the syllabus. The meeting concluded with key decisions aimed at improving teaching standards and student outcomes.

Dr. Siva Raagini Polakala, Lecturer in Microbiology, successfully completed a one-week (6-day) online short-term training program on “Artificial Intelligence for Education and Society.” The program was conducted by the Malaviya Mission Teacher Training Centre at National Institute of Technology Warangal from 4–10 February 2026. This training enhanced her knowledge in integrating AI into education and academic practices.

Smt.Y. Jnapika, Lecturer in Computer Science, and Smt. P. Sobha Latha, Lecturer in Mathematics, presented a paper entitled "Multidisciplinary Uses of Computational Mathematics in Sustainable Engineering: Intelligent Systems, Optimization, and Modelling for Global Resilience" at the national seminar. The paper explored the interdisciplinary applications of computational mathematics across engineering domains, focusing on intelligent systems and optimization strategies for sustainable and resilient technological solutions. A certificate of participation was awarded by the organizers, duly signed by the Co-Convener (A. Manoj Kumar) and the Principal & Convener (Dr. P. Ramulu). The participation of both faculty members in this national-level seminar reflects the institution's commitment to academic excellence, research culture, and faculty development. Their contributions have been duly recognized by the organizing institution through official certificates of appreciation.

(Extension and Achievements)

All Departments Are Progression in Admission for Coming Academic Year

All the departments of **Smt. N. P. Savithramma Government College for Women (Autonomous), Chittoor**, are actively making progress in the **admission process for the coming academic year**. Faculty members are creating awareness among students through counseling, outreach programs, and promotion of various courses offered by the college.

Departments are coordinating with the admission committee to ensure smooth and effective enrollment of students. The collective efforts of all departments aim to increase student admissions and strengthen the academic programs of the institution.

Brief Report –WEC

The **Women Empowerment Cell (WEC)** of **Smt. NPS Government Degree College for Women (Autonomous), Chittoor**, in association with the **Integrated Child Development Corporation (ICDC), Chittoor**, successfully conducted an **Awareness Programme** on the theme "*For All Women & Girls: Rights, Equality and Empowerment*". The programme aimed at sensitising students and women about their legal rights, gender equality, and the various welfare schemes and support systems available to women and girls in society.

The programme was graced by **Smt. D. Venkateswaru, Project Director, ICDS, Chittoor**, as the Chief Guest, who delivered an inspiring address highlighting the importance of women's empowerment and the role of government schemes in uplifting women and girl children. **Sri B. Srinivasa Rao, Circle Inspector, Women Police Station (WPS), Chittoor**, attended as Guest of Honour and spoke on women's safety, legal protections, and how to seek police assistance in times of need. **Smt. C. Syamaladevi, Protection & Field Officer, One Stop Centre (OSC), Chittoor**, also graced the occasion as Guest of Honour and informed the participants about the services and support available through the One Stop Centre for women in distress. The programme was well attended by students and faculty, and proved to be highly informative and motivating.

4. NEWS FROM DEPARTMENTS (Departmental Activities)

The Department of Computer Science, Mathematics, Statistics of Smt. NPS Government Degree College for Women (Autonomous), Chittoor organised a Study Visit and Students' Seminars at MCPS High School, Greampet, Chittoor for the students of II B.Sc. Computer Science. The activity was designed to provide students with a practical learning experience beyond the classroom and to develop their communication, presentation, and interpersonal skills. The II B.Sc. Computer Science students conducted seminars for the High school students on relevant topics in computer science, thereby enhancing their own subject knowledge while contributing to the learning of the school community. The study visit enabled the college students to engage with a real academic environment, understand the needs of young learners, and strengthen their ability to explain technical concepts in a simple and effective manner. The activity was a meaningful initiative in fostering outreach, community engagement, and experiential learning.
