### **PRINCIPAL MESSAGE**

In the month of February, there are activities related to staff and student, University Examinations, Admission drive for upcoming academic year, TOT for Staff and Campus drive for Final year Students. The relevant information of all the activities conducted during this month is included in the newsletter. I assure that the activities in all aspects will be conducted regularly and students will be benefited from these programs.

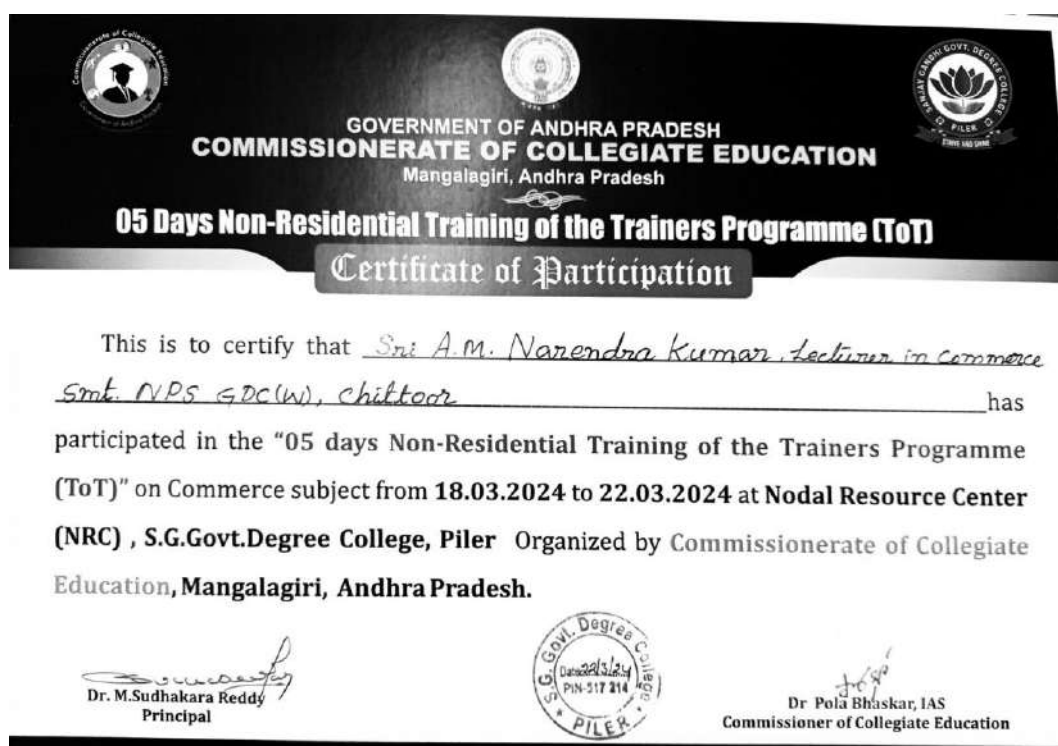

### RJD Babu sir visit:

Renowned academician, RJD Dr. Babu Sir, graced our college with his esteemed presence for an academic event aimed at enriching the knowledge and skills of our students and faculty. His visit, a blend of insightful lectures and interactive sessions, significantly contributed to our academic community, offering fresh perspectives and innovative approaches in our pursuit of excellence. Dr. Babu sir expertise in his field, coupled with his passion for education, inspired all attendees, leaving a lasting impact on our college's academic atmosphere.

DR Pinninti Surekha Transferred to Govt Degree College, Rajamundry

On the occasion of the graduation day ceremony, our neighboring college was honored with the visit of the esteemed Commissioner, marking a momentous day for both the graduates and the institution. During this significant event, our Principal, Dr. K. Manohar, Vice Principal Sri A. Narendra Kumar, and other senior faculty members took the opportunity to meet with the Commissioner. They engaged in fruitful discussions about a range of pivotal academic activities, strategies for enhancing student admissions, and the aspirations towards achieving autonomous status for our institution. This interaction not only paved the way for potential collaboration and guidance but also highlighted our collective commitment to academic excellence and institutional growth.

## 1. STAFF CHIEVEMENTS

### (Awards and achievements)

**Online Workshop on AI tools by CCE:** The Commissionerate of collegiate Education (CCE) recently organized an enlightening online workshop on Artificial Intelligence (AI) tools, which saw enthusiastic participation from all our staff members. The workshop provided a comprehensive overview of AI's potential to revolutionize academic environments, fostering a culture of innovation and adaptability among our staff. This initiative not only equipped our team with valuable insights into AI but also underscored our commitment to embracing technological advancements for the betterment of our academic community.

**Submission of AQAR 2022-23:** Under the chairmanship of college Principal Dr. K. Manohar, Vice Principal Sri. A. Narendra Kumar and IQAC Coordinator and team of Criterion in charges submission of the Annual Quality Assurance Report (AQAR) for the academic year 2022-23 marks a significant milestone in our continuous journey towards academic excellence and quality enhancement. This comprehensive document, meticulously prepared by our dedicated team, encapsulates the various initiatives, achievements, and improvements undertaken by our institution over the past year. Through this submission, we aim to demonstrate our unwavering commitment to upholding the highest educational standards and to provide a transparent account of our efforts to stakeholders. The AQAR 2022-23 not only reflects our achievements but also sets the foundation for future strategies aimed at enriching the educational experiences of our students and fostering an environment of excellence and innovation.

**Webex meeting on IMAP:** The recent Webex meeting on IMAP was a landmark session attended by all our staff members, marking a significant step forward in our approach to strategic planning and resource allocation. This comprehensive discussion highlighted the critical aspects of IMAP, from enhancing organizational efficiency to fostering a culture of continuous improvement. The interactive format allowed for a rich exchange of ideas, ensuring that every participant could voice insights and share strategies for implementing IMAP principles within their respective departments. This collective effort not only underlined our commitment to adopting innovative management practices but also set a strong foundation for achieving our institutional goals with increased coherence and coordination.

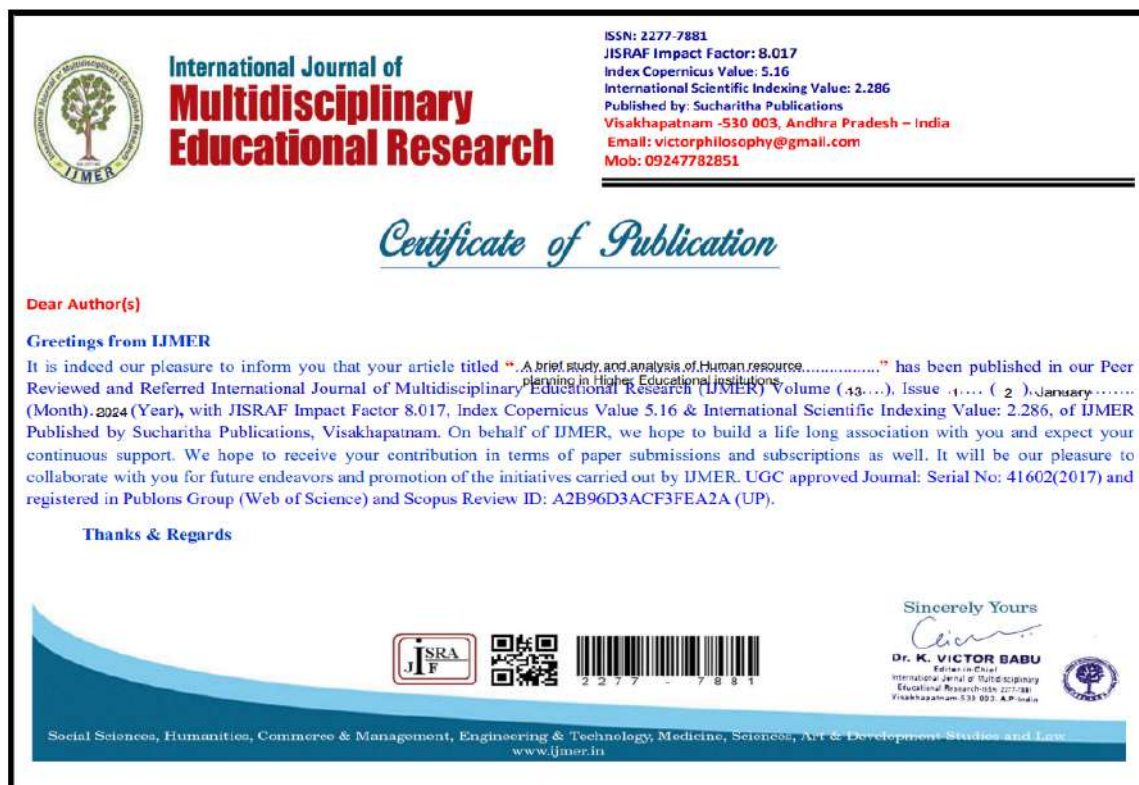

### Paper publications:

Dr. J. Ramadevi Lecturer in Commerce had been published a paper in Communication and Management Journal.

Dr. Kousar Jaha Begum, Lecturer in Statistics had Published a paper in Peer Reviewed Internation Journal of Multidisciplinary Education Research

Dr. Kousar Jaha Begum, Lecturer in Statistics had Participated and presented a research paper on “Descriptive Analysis of Using Millets In India “in IIPM-Bengaluru.

**Research Guide to supervise the Research Scholars** : Dr. T. Vinila, an esteemed Lecturer in Commerce, has been honored with the recognition as a Research Guide by the

Department of Commerce at S.V. University. This prestigious appointment allows her to supervise and mentor Research Scholars, guiding them through their academic inquiries and contributing significantly to the field of commerce with her expertise and insights. This acknowledgment not only highlights.

### **Submitted All India Survey Higher Education Report 2022-23(AISHE):**

Under the chairmanship of college Principal Dr. K. Manohar, Vice Principal Sri. A. Narendra Kumar and senior faculty members submitted the All India Survey on Higher Education (AISHE) report for the academic year 2022-23 marked a significant milestone for our institution. This comprehensive document, meticulously compiled over months, encapsulates the strides we have made in education, highlighting key data on enrollment, faculty strength, programs offered, and advancements in research and development. The AISHE report serves as a critical tool for policy-making and benchmarking in higher education, allowing us to reflect on our growth, identify areas for improvement, and strategize for future endeavors. It underscores our commitment to contributing valuable insights into the national educational landscape, showcasing our dedication to academic excellence and societal contribution.

### **Training at University of Hyderabad:**

The Malaviya Mission Teacher Training Centre (MMTTC) is happy to announce the inauguration of a pioneering Training Programme for Knowledge Resource Persons (KRPs) in Computer Science, in collaboration with the Government of Andhra Pradesh. This initiative builds upon our successful endeavors in Life Sciences and underscores our dedication to promoting excellence in education and professional growth. To this Programme, Smt. Y. Jnapika, Lecturer in Computer Science have been nominated as KRP by CCE and attended the MMTTC Training at University of Hyderabad, Telangana.

**TOT AT NRC -PVKN(A):** A specialized five-day training program on Life Sciences, specifically focusing on Botany and Microbiology, took place from February 29th to March 5th, 2024, catering to our dedicated teachers. Dr. K. Ushasri, a distinguished lecturer in Microbiology, served as the master trainer, providing invaluable insights and expertise in the field. Dr. P. Sivaraagini, an esteemed faculty member, actively participated in this training, enriching her understanding of the latest developments in Botany and Microbiology. This initiative not only showcased our commitment to continuous professional development but also highlighted the role of experienced educators in sharing knowledge and fostering excellence within the academic community

## 2. STUDENTS ACHIEVEMENTS (Awards and achievements)

I am happy to say that with God's blessing and our efforts all the 21 students got selected for Amazon Company, Bangalore.

Department of Zoology and Microbiology jointly organized Darwin's Day, the first and second-year students of MZC displayed exemplary academic prowess by actively participating in a postal presentation and elocution competition. Postal presentation Hepzibah , Nithya from (Second year) and Pavani from (first year) in Elocution ,Hepzibah ,Sowmya (Second year) and Joyes (first year) secured First ,Second and Third prizes respectively

### 3.COMMUNITY CORNER (Extension and Achievements)

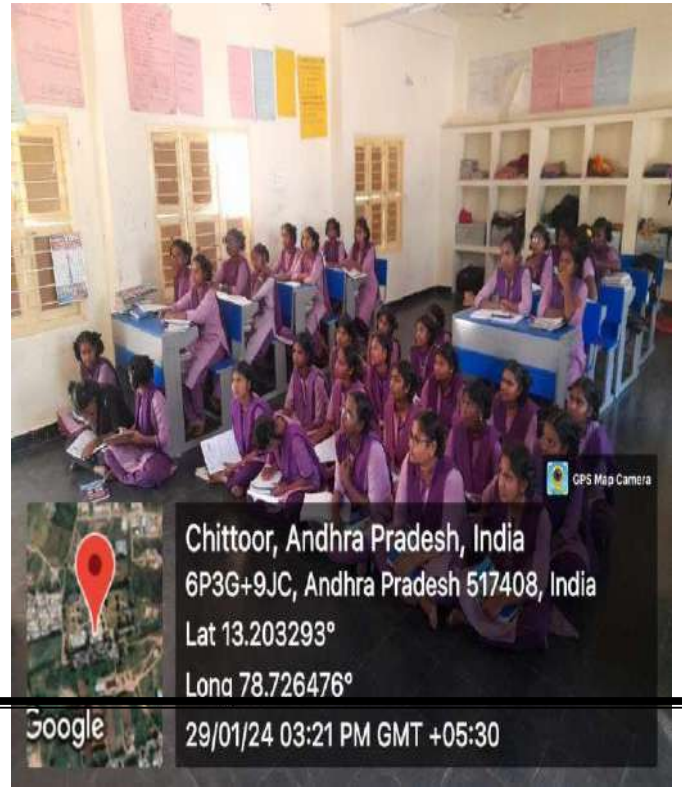

**ADMISSION DRIVE FOR ACADEMIC YEAR-2024-25:** The Admission Drive for the Academic Year 2024-25 at Smt. N.P.S Government Degree College (Women), Chittoor, was a resounding success, thanks to the meticulous efforts of dedicated committees formed under the guidance of our Principal Dr. K. Manohar, who provided strategic oversight. The Vice Principal Sri A. Narendra Kumar played a crucial role in supporting the principal and ensuring the seamless operation of the admission drive. The Admissions Convener Dr. S. Shamsakthar, and Co-Convener Dr. P. Sureka and all faculty members were instrumental in coordinating and managing every facet of the admission process, fostering effective communication with prospective students and their parents. This collaborative effort ensured a well-organized and efficient admission process, reflecting the commitment of our institution to excellence in education."

**Voter awareness meeting:** Under the chairmanship of college Principal Dr. K. Manohar A voter awareness meeting was conducted, aiming to inform and educate the community about the importance of active participation in the democratic process. The event focused on elucidating the significance of voting, emphasizing the role of every citizen in shaping the nation's future through their electoral choices. Speakers addressed key topics such as voter registration, electoral procedures, and the impact of civic engagement on governance. This meeting served as a crucial platform to encourage informed decision-making, fostering a sense of responsibility and empowerment among attendees to exercise their voting rights conscientiously.

**Issued internship offer letters to students:** Under the chairmanship of college Principal Dr. K. Manohar, Internship Coordinator Dr. B. Thirukumaran, Dr. S. Shamsakthar, and Smt. P. Shoba Latha Issued internship offer letters to final year students

**Meeting with parents:** Under the chairmanship of college Principal Dr. K. Manohar A meeting was convened with parents to discuss and communicate information regarding the long-term internship allotments for students. The session aimed to provide clarity on the internship placement process, address any concerns parents may have had, and ensure transparent communication about the opportunities available to their children. By fostering collaboration between parents and the educational institution, this meeting sought to create a supportive environment for students embarking on long-term internships, emphasizing the importance of hands-on experience and its role in their academic and professional development.

### Long term Internship for B.A students with APSRTC, Chittoor:

B.A students have been afforded a valuable opportunity for long-term internships with the Andhra Pradesh State Road Transport Corporation (APSRTC) in Chittoor. This collaborative initiative aims to provide students with practical exposure to various facets of public transportation, enhancing their understanding of organizational operations and management. The internship program serves as a bridge between academic knowledge and real-world application, offering students a unique chance to apply theoretical concepts in a professional setting. This hands-on experience with APSRTC is expected to contribute significantly to their personal and professional growth, preparing them for the challenges of the workforce

## **The long-term Internship- IMAP App Awareness class for Mentors on Students' task:**

An informative session on the long-term internship, focusing on the IMAP (Integrative Mapping and Planning) App awareness, was conducted for mentors was taken by Smt. M. Padmavathi Lecturer in Computer Applications. During this class, mentors were briefed on the IMAP App's functionalities and its role in facilitating and monitoring students' tasks throughout the long-term internship period. The awareness class aimed to empower mentors with the necessary tools and insights to guide students effectively, ensuring a seamless integration of academic learning with practical experiences. This strategic approach underscores the commitment to optimize the internship experience, fostering mentorship that aligns with the institution's goals and enhances students' overall educational journey.

## **Distribution of diaries by GCTA to members by Our Principal:**

Our esteemed Principal took pride in Distribution of diaries by GCTA to members

## **Distribution of diaries by GCGTA to members by Our Principal: Our esteemed**

Principal took pride in Distribution of diaries by GCGTA to members

Our college recently received a generous donation from the Chittoor Municipality Authority in the form of garden benches. This thoughtful contribution enhances our campus environment, providing students and faculty with comfortable outdoor seating options. The donation not only adds aesthetic value to our college grounds but also promotes a conducive atmosphere for relaxation, collaboration, and informal gatherings. We extend our heartfelt appreciation to the Chittoor Municipality Authority for their commitment to enhancing the campus experience for our academic community

## 4.NEWS FROM DEPARTMENTS

### (Departmental Activities)

#### Elocution and song competition for womens day celebrations.

**Darwin's day celebrations in department of zoology and microbiology:** Department of Zoology and Microbiology jointly organized Darwin's Day, the first and second-year students of MZC displayed exemplary academic prowess by actively participating in a postal presentation and elocution competition. Their enthusiasm and dedication were rewarded with notable achievements as they secured prizes for their outstanding performances. This success not only underscores the students' commitment to scientific inquiry and communication but also highlights the academic excellence fostered within the MZC community. Congratulations to the students for their commendable achievements in promoting the spirit of scientific exploration and celebration of Darwin's legacy.

**Principal Departmental visits:** The Principal recently conducted departmental visits for academic record verification, underscoring the commitment to maintaining the integrity of academic processes. This initiative aimed to ensure accuracy and transparency in student records, reinforcing the importance of academic accountability. The visits provided an opportunity for the Principal to interact with faculty members, fostering communication and collaboration to uphold the highest standards in academic documentation. Such meticulous efforts contribute to the overall quality and reliability of academic records, aligning with the institution's dedication to excellence in education and administration.

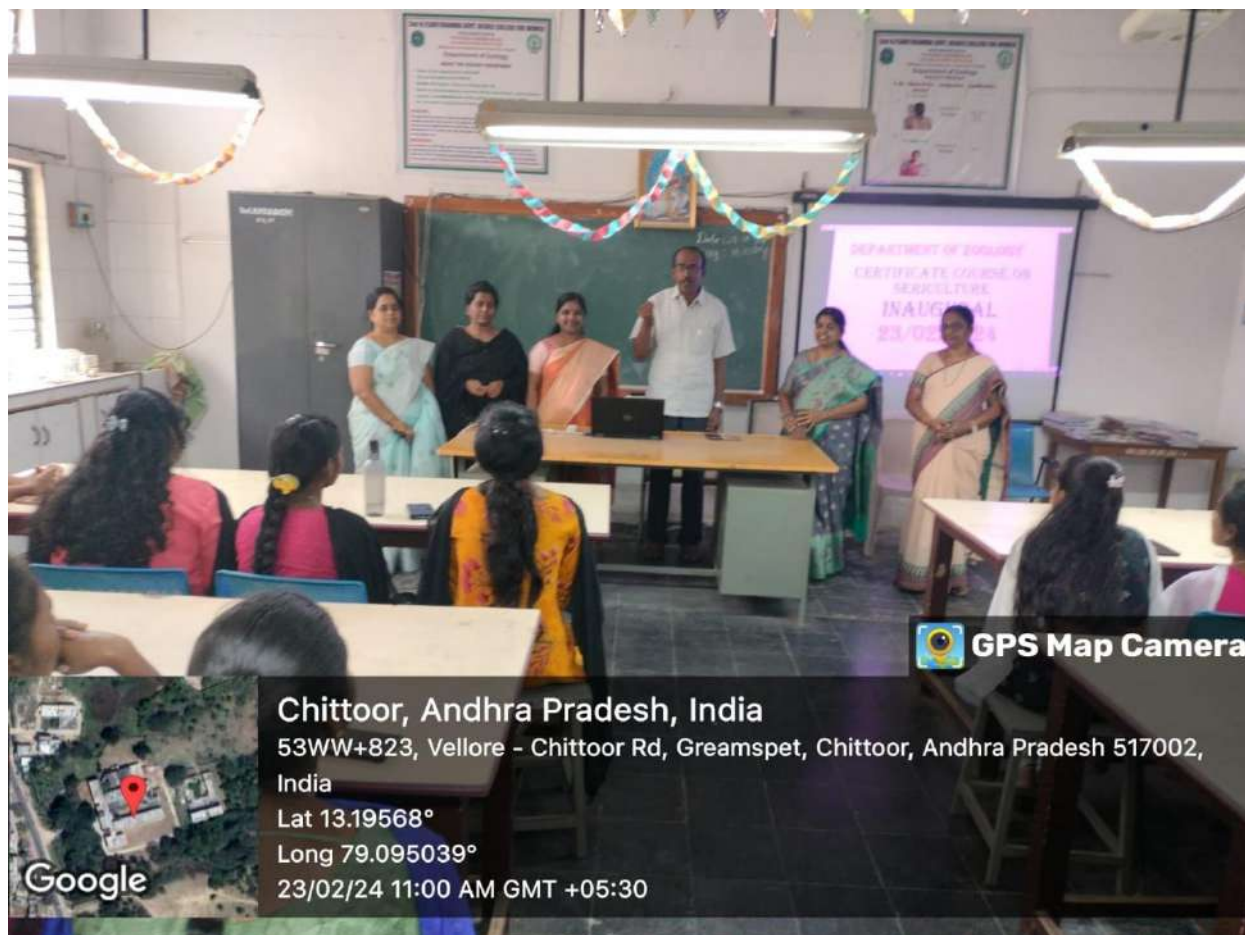

**International Mother language day conducted by Depts of Telugu, Hindi, English:**  
Under the chairmanship of college Principal Dr. K. Manohar the Departments of Telugu, Hindi, and English HODs and faculty of Languages collaboratively organized a vibrant event to commemorate International Mother Language Day. Celebrated with cultural richness and linguistic diversity, the event highlighted the significance of preserving and promoting mother languages. Through poetry recitations, language workshops, and cultural performances, the Departments aimed to foster an appreciation for linguistic heritage and multilingualism. This collective effort not only celebrated the unique identity of each language but also emphasized the crucial role languages play in cultural expression and understanding. The event served as a platform for cross-cultural exchange, promoting unity and respect for linguistic diversity within our academic community.

**Department of zoology certificate course Inaugural meet:** Under the chairmanship of college Principal Dr. K. Manohar the Department of Zoology has introduced a specialized certificate course in sericulture, spanning 30 days, open to all life science students. This initiative aims to provide hands-on training to forty enthusiastic participants, equipping them with practical skills and knowledge in the intricate field of sericulture. The course covers various aspects of silk production, from silkworm rearing to the silk extraction process. This endeavor not only enhances the participants' understanding of sericulture but also promotes interdisciplinary learning within the life sciences, fostering a holistic approach to education

**Science Day:** The Science Departments orchestrated a vibrant celebration on Science Day, where students actively participated by presenting an array of innovative models and exhibits. The event showcased the students' creativity and enthusiasm for scientific exploration, with each presentation highlighting diverse aspects of scientific principles and applications. From physics experiments to biological models, the exhibits captured the essence of scientific inquiry and discovery. This celebration not only underscored the department's commitment to nurturing scientific curiosity but also provided a platform for students to share their passion for science with the entire academic community. The Science Day event served as an inspiring showcase of the students' dedication to exploring the wonders of science.

## 5. SPORTS & NSS ACTIVITIES

### NSS Activities :

**Distribution of blood donation certificates:** Under the chairmanship of college Principal Dr. K. Manohar NSS Coordinator Dr. S. Shamsakthar, in recognition of the altruistic contributions made by blood donors, a meaningful event was organized for the distribution of blood donation certificates. The certificates were awarded to individuals who selflessly donated blood, highlighting their compassion and commitment to saving lives. This gesture not only serves as a token of appreciation but also encourages a culture of regular blood donation within the community. The certificate distribution event reinforces the importance of voluntary blood donation and acknowledges the invaluable role these donors play in supporting healthcare initiatives and emergency medical services

**Distribution of deworms tablets to students:** Under the chairmanship of college Principal, Dr. K. Manohar, and NSS Coordinator, Dr. S. Shamsakthar, a significant initiative was undertaken for the distribution of deworming tablets to students. This proactive health campaign aimed at ensuring the well-being of the student community by addressing parasitic infections. The distribution event, led by these esteemed leaders, not only promotes preventive healthcare but also emphasizes the institution's commitment to the holistic development and health of its students. Such initiatives contribute to creating a healthy and thriving educational environment
