Agro Industry, where they will gain invaluable hands-on experience in the field of Computers."

Drug Abuse Programme

"Under the guidance of our esteemed Principal, Dr. K. Manohar, along with the Vice Principal and dedicated staff members, our college actively participated in a comprehensive initiative aimed at preventing drug and substance abuse. This collaborative effort involved both staff and students engaging in a series of educational programs, workshops, and awareness campaigns designed to address the serious issue of substance abuse. The initiative included informative sessions on the dangers of drug use, strategies for prevention, and resources for support. Through these activities, we aimed to foster a safer and healthier campus environment, while empowering our students with the knowledge and tools necessary to make informed choices and support one another in maintaining a drug-free lifestyle."

"Under the chairmanship of Principal Dr. K. Manohar and Vice Principal Sri A. M. Narendra Kumar, our college had the honor of hosting a distinguished guest, MLA Sri Gurajala Jagan Mohan Garu. During his visit, the MLA delivered a compelling and inspiring address to both staff and students, focusing on motivating our students and broadening their career horizons. In his speech, Sri Jagan Mohan Garu emphasized the importance of exploring various career paths and discussed the numerous job opportunities available in today's competitive market. His insights provided valuable guidance to our students, helping them navigate their future career choices with greater clarity and confidence.

In addition to his motivational talk, the MLA took tangible steps to improve campus life by addressing a critical need for enhanced facilities. He contributed much-needed water resources to the BC hostel, ensuring that students' basic needs were better met and significantly improving their living conditions. This generous gesture reflects his commitment to supporting student welfare and underscores the collaborative spirit of our institution in fostering a nurturing and supportive educational environment."

"Principal Sir visited the hostel to assess both the academic progress of the students and the overall hygienic conditions of the facilities. During his visit, he conducted a thorough review of students' study progress to ensure that they are meeting their academic goals and provided guidance where needed. Additionally, he inspected the hostel environment to ensure that it adheres to the highest standards of cleanliness and hygiene. This visit underscores our commitment to both academic excellence and the well-being of our students."

4. NEWS FROM DEPARTMENTS (Departmental Activities)

"Under the chairmanship of Principal Dr. K. Manohar and Smt P.Sobha Latha HOD of Mathematics on July 25, organized an enriching and insightful program titled 'గణిత ప్రజ్ఞాధారణ' (Mathematical Proficiency and Enlightenment). This event featured Sri H. Aruna Siva prasad, a distinguished Ganitha Avadhani, and was held in collaboration with Jana Vignana Vedhika, Chittoor, and the AP Maths Forum, Chittoor.

The program was designed to elevate the understanding and appreciation of mathematics among students and educators alike. Sri H. Aruna Siva prasad, renowned for his exceptional expertise and contributions to the field, led the sessions with a focus on advanced mathematical concepts and their real-world applications. His presentation included detailed explorations of complex topics, innovative problem-solving techniques, and discussions on the relevance of mathematics in various professional and academic contexts.

The collaborative effort with Jana Vignana Vedhika and AP Maths Forum ensured a well-rounded approach to the program, combining their extensive experience and resources to create a comprehensive and impactful experience. The event included interactive lectures, hands-on activities, and Q&A sessions, providing participants with valuable insights and fostering a deeper appreciation for mathematics.

The successful execution of 'గణిత ప్రజ్ఞాధారణ' highlighted the Department of Mathematics' commitment to promoting mathematical excellence and supporting the intellectual growth of students. The program was well-received, leaving attendees inspired and better equipped to engage with the rich and diverse world of mathematics."

Extension Activity

"Students and Librarian from PVKN College (A) recently had the opportunity to visit our library, where they explored a wide range of resources and engaged with our vibrant learning community. During their visit, they interacted with our extensive collection of books, journals, and digital materials, and took part in discussions and activities that highlighted the library's role as a hub for academic and intellectual growth. This visit not only provided the students with valuable insights into our resources but also fostered a deeper connection with our academic environment.

Online Webinar

"Students from the second and final years of the Department of Microbiology on July 27th participated in an online webinar focused on food safety. This informative session was organized by Pune University in collaboration with the Microbial Society. The webinar covered a range of critical topics related to food safety, including best practices for preventing contamination, understanding foodborne pathogens, and the latest advancements in microbial research. By engaging in this event, our students had the opportunity to enhance their knowledge, interact with experts in the field, and stay updated on current issues and innovations in food safety."

'Ek Ped Maa Ke Naam' Programme:

"Under the chairmanship of our principal, and with the esteemed participation of the Principal of Piler College as a guest, along with our Vice Principal and NSS Coordinator Dr. Shamsakthar, and senior faculty members, our institution actively engaged in the 'Ek Ped Maa Ke Naam' campaign for plantation. This initiative was part of a larger effort to promote environmental sustainability and green practices within our community. NSS Coordinator, played a pivotal role in supporting and promoting

this cause. Their participation involved organizing tree-planting activities, educating students about the benefits of afforestation, and actively contributing to the overall success of the campaign. The involvement of the Principal of Piler College further enriched the event, bringing additional insights and support to the cause.

The collaborative effort underscored our institution's commitment to environmental conservation and highlighted the importance of collective action in addressing ecological challenges. The event not only strengthened our community's engagement with environmental issues but also demonstrated our dedication to making a positive impact through sustainable practices."
