PRINCIPAL MESSAGE

In the month of October, a variety of activities were conducted, including staff and community engagement, student industrial visits, departmental events, guest lectures, parent-teacher meetings, research activities, as well as NSS and sports programs. The newsletter provides detailed information about all these events. I assure you that these programs will continue to be held regularly, ensuring that students benefit from them in all aspects of their academic and personal development.

The Regional Joint Director (RJD) from Kadapa honored our college with an insightful visit. During this visit, engaged in a productive and impactful interaction with our faculty members. This visit was an invaluable opportunity for the college community to gain fresh perspectives on academic enhancement and align our efforts with the latest educational standards and practices. Throughout the discussion, the RJD offered practical recommendations on a variety of academic activities aimed at significantly advancing our students' learning experiences and outcomes. A strong emphasis was placed on Massive Open Online Courses (MOOCs), highlighting the importance of online learning as a means to broaden students' knowledge base and provide them access to global educational resources. The RJD encouraged faculty to motivate students to actively participate in MOOCs to foster a culture of continuous learning and adaptability.

Furthermore, the RJD underscored the value of paid internships, advocating for increased student involvement in hands-on, experiential learning opportunities that align with industry needs. Such experiences not only help students apply their knowledge but also strengthen their professional networks and enhance employability. The RJD also emphasized the importance of maintaining high attendance rates to ensure that students remain engaged in their coursework and benefit fully from the college's academic offerings. In addition, the RJD provided guidance on strengthening our student placement programs, encouraging the faculty to work collaboratively towards building robust relationships with industry partners to facilitate career opportunities for our graduates. This motivational visit has left a lasting impression on our faculty and students alike, inspiring them to pursue these academic initiatives with renewed dedication. By implementing the RJD's suggestions, we aim to cultivate an environment that nurtures academic excellence, promotes student engagement, and enhances career readiness.

Annual Celebrations of "Mera Yuva Bharat Sangathan" program in Chittoor city

(By our Skyline Staff Reporter)

Chittoor, October 28:

The vibrant annual celebration of "Mera Yuva Bharat Sangathan" took place in Chittoor city under the auspices of the Nehru Yuva Kendra, highlighting the power of youth in community service and cleanliness. The event aimed to raise awareness on the importance of maintaining cleanliness as part of the "Swachh Bharat" mission and encouraged youth involvement in public welfare initiatives.

As part of the program, a "Swachh Bharat" drive was organized on Church Street and Bazaar Street, where energetic young volunteers gathered to participate in a large-scale cleanliness campaign. The youth collected plastic waste from the streets, which was then handed over to municipal authorities for proper disposal, contributing to the

city's efforts to become more sustainable and environmentally conscious. Additionally, wall posters advocating for cleanliness were pasted in front of local shops to spread the message of "Swachh Bharat" among residents and visitors alike. During the event, District Youth Officer B. Pradeep Kumar addressed the gathered youth and emphasized the significance of dedicating time for the community, especially during the festive season. He encouraged the youth to spare at

least an hour of their time this Diwali for social service, underlining the responsibility of every citizen in contributing to a cleaner, greener India. The event saw the enthusiastic participation of prominent local figures, including Regional Accounts Officer M.C. Babu Reddy, NSS Program Officer Suseela Bharathi from PVNK Degree Government College, NSS Program Officer Shamshakhtar from Savitramma Government Degree College for Women, and Joseph Raju, President of the 'Sup-

port' voluntary organization. Their collective efforts alongside approximately 100 young participants highlighted the commitment of Chittoor's youth and educational institutions to the cause of Swachh Bharat. This annual celebration not only marked a memorable gathering of youth dedicated to social welfare but also fostered a sense of pride and community among the participants, reaffirming their role as changemakers in the journey toward a cleaner and healthier society.
